

A flexible way to clean your home

Powerful and portable Tesla cordless vacuum cleaner with a new foldable design which allows you to effortlessly clean all the areas of your home.

Smart dust sensor

A smart dust sensor increases cleaning efficiency, device longevity and battery life by detecting high dust levels and increasing suction power through five different levels, as needed. This allows the device to effectively clean areas with more dirt using increased suction power.

Pro Flex folding tube

Designed with Pro Flex bending technology to provide access to unreachable and low areas, there's no need for bending or vacuuming in awkward positions. It also includes a dust-detecting light that illuminates areas with dust, allowing more efficient and thorough cleaning.

Super vacuuming

Outstanding and powerful suction power enables high cleaning efficiency and helps capture all dust particles, from the smallest gaps in the carpet, the floor or corners.

House cleaning in one go

Featuring a removable and replaceable high-performance battery, this vacuum cleaner allows for up to 60 minutes of uninterrupted cleaning time. The battery can be charged outside of the device and easily replaced, ensuring extended and reliable use of the vacuum cleaner.

Three-stage filtration

A triple separate filter system improves the dust collection capacity, keeps the air duct unobstructed and prevents the return of dust to the room through the suction channel. In addition to this, this filter system can also reduce the number of allergens in the air, making it an ideal choice for individuals with allergies or respiratory issues.

Model	HS500GF
Color	Dark grey, Black, Silver
Motor	Brushless DC digital motor
Power	400W
Motor rotation	100.000 rpm
Vacuum Pressure (Pa)	1000/8500/12800/20000/23000
Power Speed	5
Function	Vacuuming
Battery discharged	up to 60 min
Battery charged time	5 h
Battery pack	25.9 V, 7-cell
Battery capacity	2500 mAh
Charging indication	Yes
Battery power indication	Yes
Remove battery	Yes
Dust tank capacity	600 ml
Dust tank indication	Yes
Noise level test(dB)	75 dB
Cyclone filtration	Bipolar
Filtration	Hepa
Suction power	140 AW
Air flow	15 L/S
Multi-surface brush	Yes
Flat nozzle	Yes
Mini 2-in-1 brush	Yes
Long aluminium tube with flexib	Yes
Wall-mounted charging base	Yes

Model	HS500GF
Extension tube	Yes
Electric roller brush with dust lights	Yes
Power brush head	30 W
Adaptor	Yes
Charger input	100V-240V~ 50Hz/60Hz 0.8A
Charger output	30V, 0,5A, 15W
Power plug	Euro
Power cord length for adaptor	175 cm
Safety protection	Yes
Product height	230 mm
Product width	120 mm
Product depth	1260 mm
Gift box height	280 mm
Gift box width	235 mm
Gift box depth	608 mm
Weight	3,91 kg
Gross weight	5,86 kg
EAN	8606031242062
