

The warmest recommendation

Warming, not overheating

The Tesla converter heater comes with a protection system that ensures your safety. If the device's internal temperature exceeds the safety limit, the power is automatically cut off.

Temperature drop detection system

If you open a window, the heater will stop heating when it detects a 3 degree drop, and will not resume until the temperature stabilizes.

Stable safety through anti-tip measures

The safety "anti-tip" system ensures the automatic shutdown of the heater in case of tipping. Once returned to an upright position, it resumes its heating function.

Room sensor for optimal consumption

Saving money is always important, and that's why this product has a special sensor that measures the room temperature to optimize the heater's functions and reduce electricity consumption.

The warmth is where you are

The Tesla converter heater is packaged with wheels, making it convenient to move the heat source to various areas of your home to effectively combat the cold.

Model	TH301WR
Color	White - Black
Maximum power	No heating/ 1000W / 2000W
Heating stage	2
Heating element	PTC
Indoor usage	20-25m ²
Overheating protection system	Yes
Control panel	Digital
Wall mount	No
Feet	Yes
Whells	No
On/Off button	No
Anti frost function	No
With room temperature sensor	No
Self-reset Thermostat	Yes
Anti-overturning	Yes
Wi Fi App	No
Timer	24h
Motor	Yes
Remote control	Yes
Remote power	CR2025(with)
Cable length	1.5m
Voltage	220V-240V-AC
Amper	16 A
Product height	620 mm
Product width	210 mm
Product depth	210 mm
N.W.	1.8 kg
Carton size (Lx W xH) mm	170x170x655 mm
G.W.	2.4 kg
EAN	8606031242970
