

The happiness fragrance.

Relax your body and mind

Tesla aroma diffuser fills the air with your favorite scents, creating the home atmosphere of your dreams! Relaxing never smelled so good: simply add a bit of your favorite aromatherapy scent as per instructions, and you'll feel soothing fragrances all throughout the day.

De-stress and unwind

The aroma diffuser has two operating modes – high or low mist – so you can choose your preferred option, in accordance with your daily needs and habits. It also boasts a mood light feature, which adds a special glow for that calming, relaxing atmosphere in the evening.

Feel your best

Tesla aroma diffuser is minimalistic, discreet, and easy to use. You can now quickly create a lovely ambience in any room of your home: just sit back and relax, while this small but effective device distributes the fragrance all around, making you feel your best!

Class, comfort and convenience

For your convenience, this simple and efficient Tesla device will automatically switch off when the tank is removed, or if there's no water left inside.
