

Where your favorite food lives

Your favorite food has found its new home in Tesla single door refrigerators! Choose the one that best fits your needs, and let hedonism take the wheel.

Reversible door design

Did you know your fridge can be opened to the left or to the right, depending on your kitchen habits and needs? Simply install the magnetic rubber door the way you want.

R600A refrigerant

Absorbs the heat faster when compared to other gasses, enabling a more energy efficient cooling.

Adjustable spill-free shelves

Reinforced glass shelves will not allow liquid spilling outside of them - plus they are easily adjustable to the height you want..
