

Where your favorite food lives

Your favorite food has found its new home in Tesla single door refrigerators! Choose the one that best fits your needs, and let hedonism take the wheel.

Reversible door design

Did you know your fridge can be opened to the left or to the right, depending on your kitchen habits and needs? Simply install the magnetic rubber door the way you want.

R600A refrigerant

Absorbs the heat faster when compared to other gasses, enabling a more energy efficient cooling.

Adjustable legs

Adjustable legs allow you to adjust the height of your fridge, so it can easily fit into any kitchen or a working space.
