BAKE YOUR DREAMS COME TRUE

Choose Tesla Oven

A 30°C-250°C 60cm

Color Touch Screen

Ovens equipped with touch screens offer intuitive control and convenience, allowing you to easily set cooking modes, temperatures, and timers.

Pizza Chef

When you select the pizza function, the fan along with the top and bottom heating elements work in unison to ensure your pizza is evenly baked.

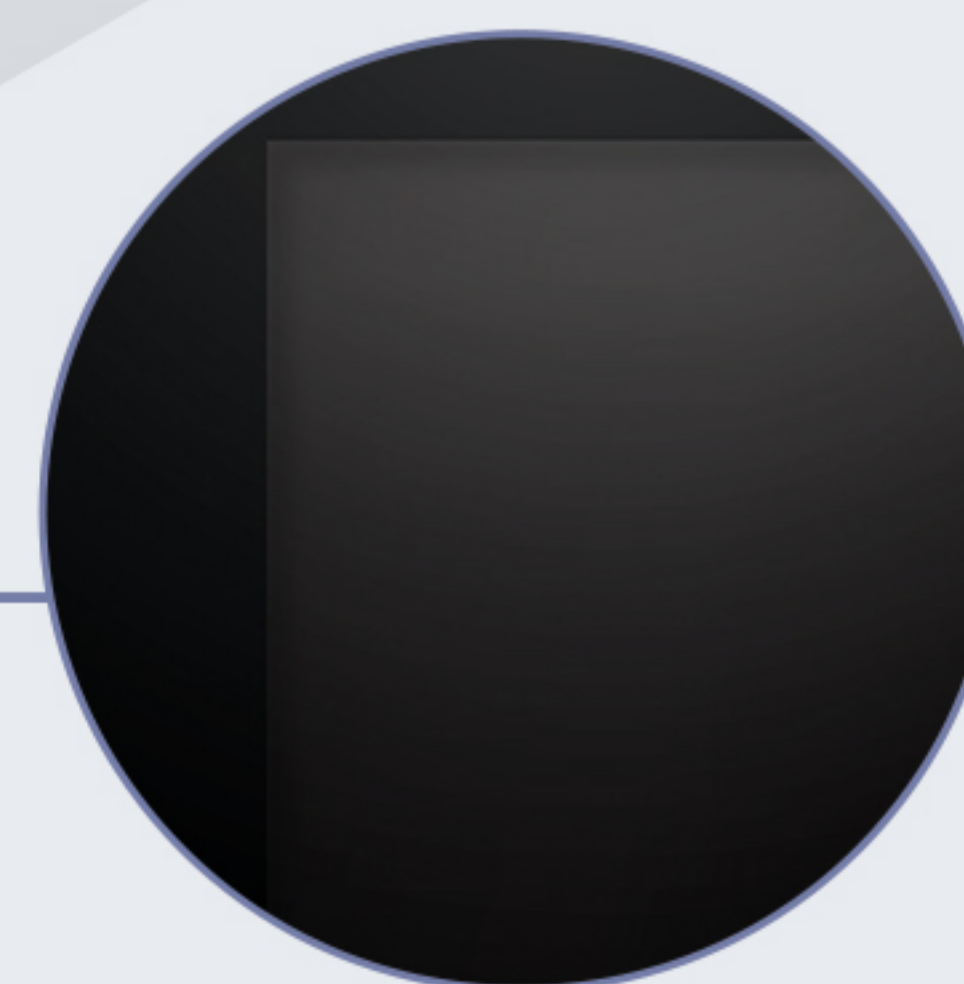

Dough Proofing

Indulge in the art of baking with the perfect environment for dough to rise, ensuring soft and fluffy results every time.

Seamless Cavity

Less weld marks help cleaning easier, which leaves no space for oil stain and food residues to hide inside the cavity.

Double Black glass door

Modern double glass door is heat-reflective, making the oven exterior safe to touch.
