BAKE IT 'TIL YOU MAKE IT!

Choose Tesla Oven

A+ 30°C-250°C 60cm

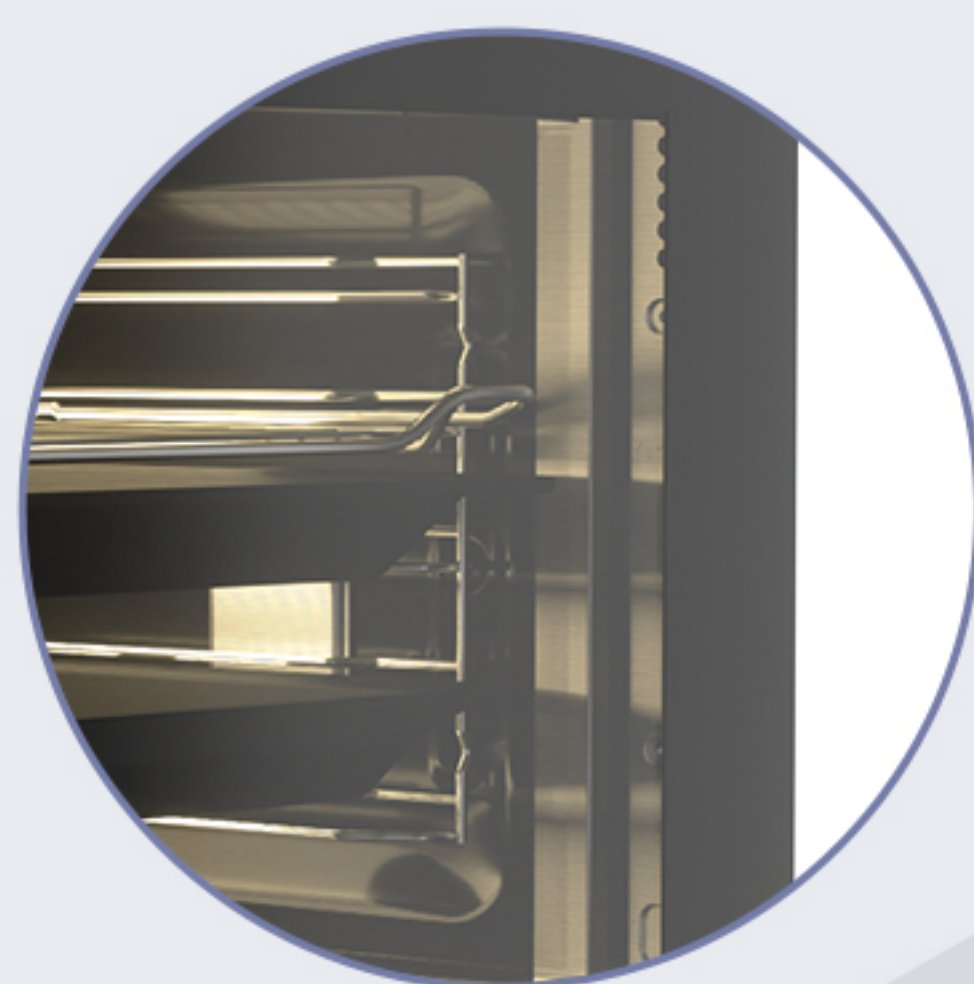

Steam Function

Simply fill the reservoir for steam-assisted cooking up, start the steam cooking function, and watch as your baked goods and other delicacies become even more delicious!

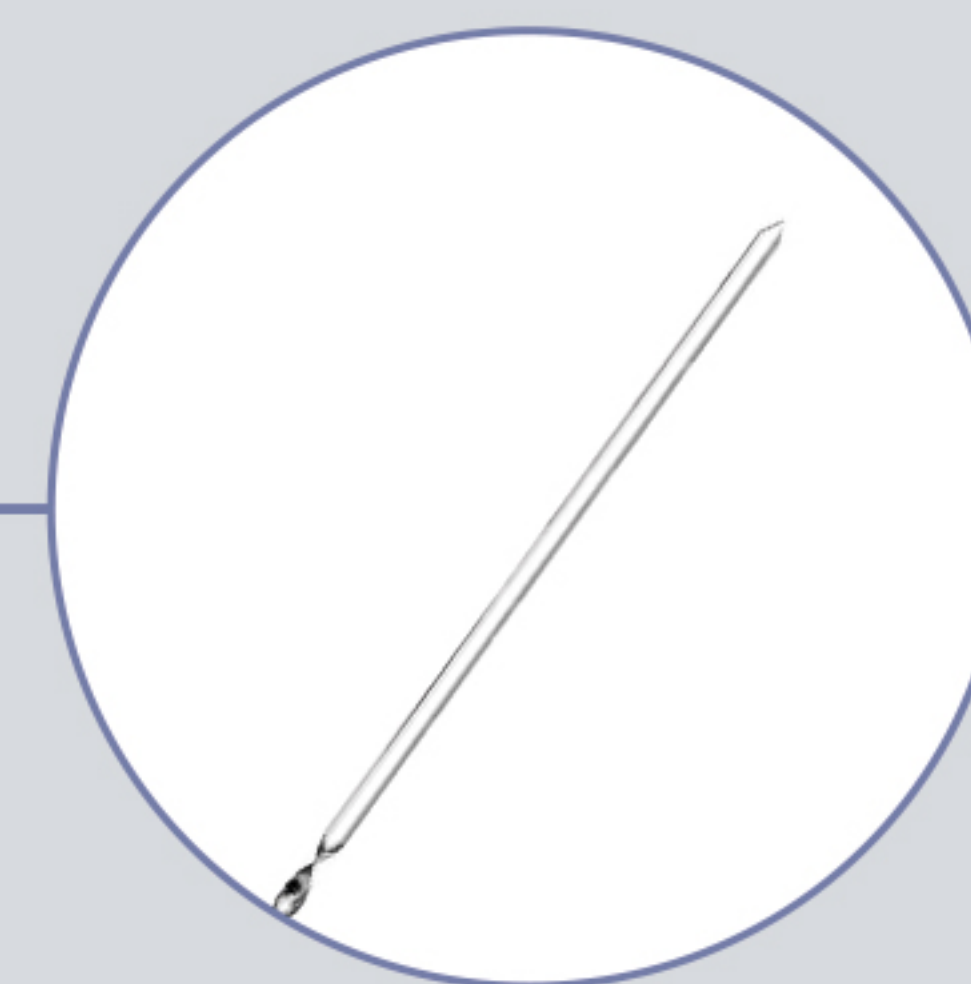

Touch Screen

Sleek design and interactive interface enhance the cooking experience by providing precise control.

Double black Glass door

Modern double glass door is heat-reflective, making the oven exterior safe to touch.

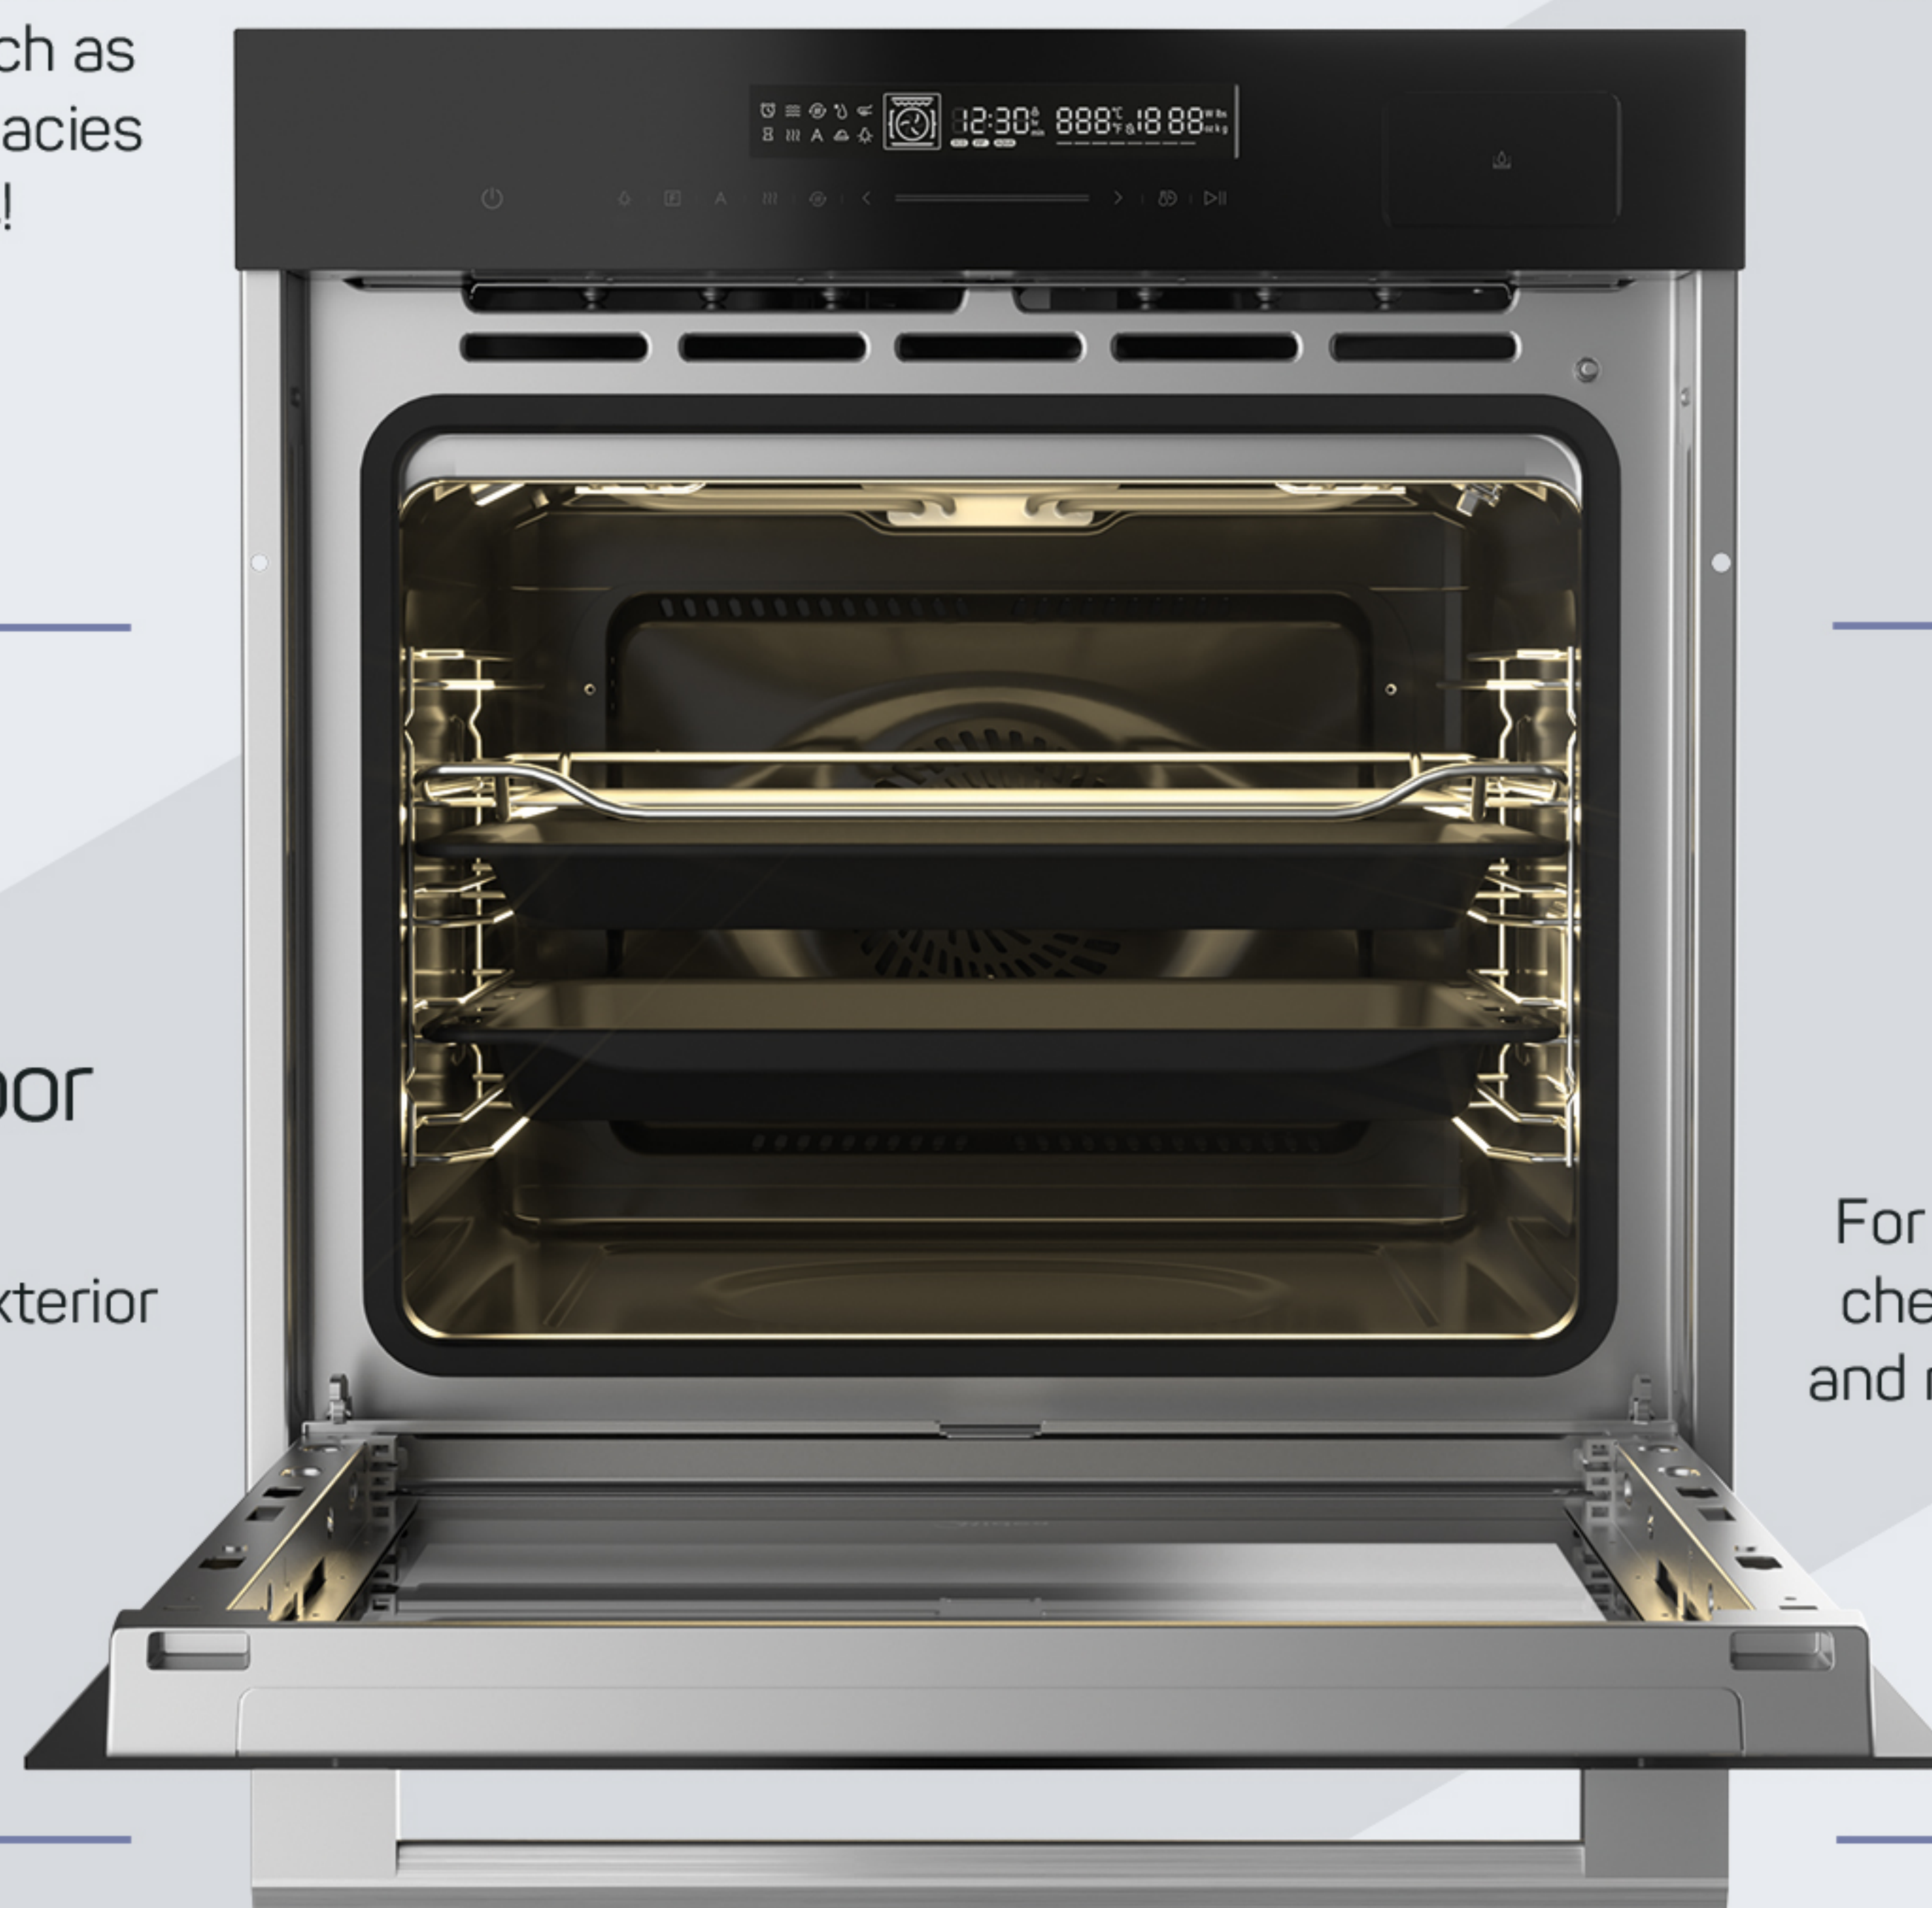

Barbecue Stick

For perfect flavor infusion of the meat check your dish with a barbecue stick and make it ready for a Sunday evening.

Keep Warm

This feature ensures that dishes stay warm and ready to serve, without becoming dry or overcooked.

Multicourse Aid

You can cook three different dishes simultaneously, each dish placed on different levels receives the precise amount of heat it requires.
