Choose Tesla Fridge

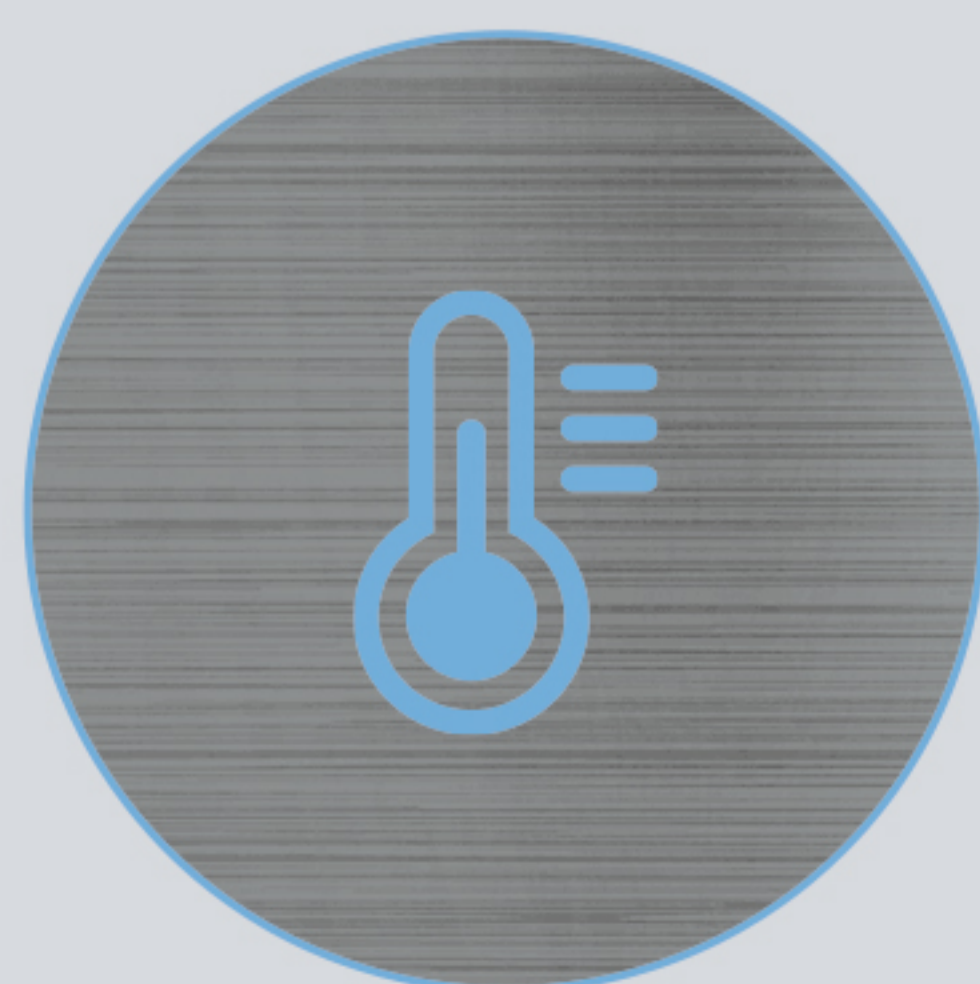

Energy class E

Equipped with excellent thermal insulation, improved door protection, first-class cooling system components, and electronic controls that reduce energy consumption to a minimum.

Stone inspired finish

This fridge boasts a unique stone-inspired finish that adds a touch of sophistication to any kitchen.

Metal Cooling Technology

Metal Cooling technology helps you maintain a steady temperature in the refrigerator, thanks to a metal panel sheet on the back side of the device.

Easy fit

It offers the best of both worlds: the durability and space of a conventional unit, plus the elegance of an easy fit design.

Total No Frost

Total No Frost, based on circulation of cold air, reduces humidity and prevents the accumulation of frost and ice on the walls of the freezer.

Outside Display

With this smart display, you can manage your kitchen efficiently, without ever having to open the door.
