

# TESLA

Auto-natural curler  
ACH500BBD

## MAKE YOUR HAIRDRESSER JEALOUS

Choose Tesla auto-natural curler.

 45W  170°-210°C  ION

### Innovative styling area

Semi-closed styling area for scalding prevention.

### Split Barrel Size: 29,76mm

Big wand for more natural curls, plus hair guidance cool tip.

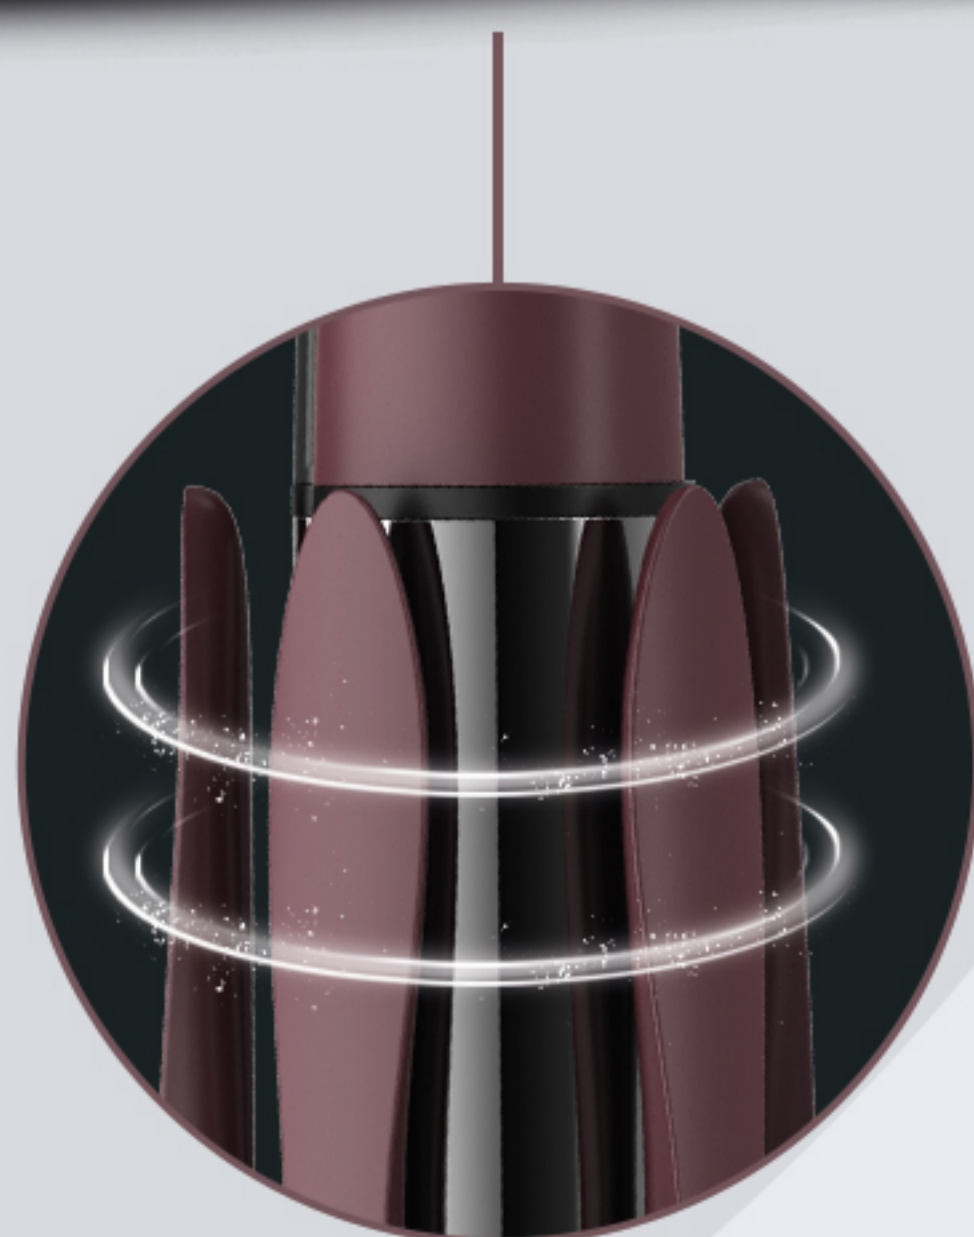

### Smart timer: 6,8,10s

Alerts when curls are ready to be released  
Switches off if not used for 30 minutes.

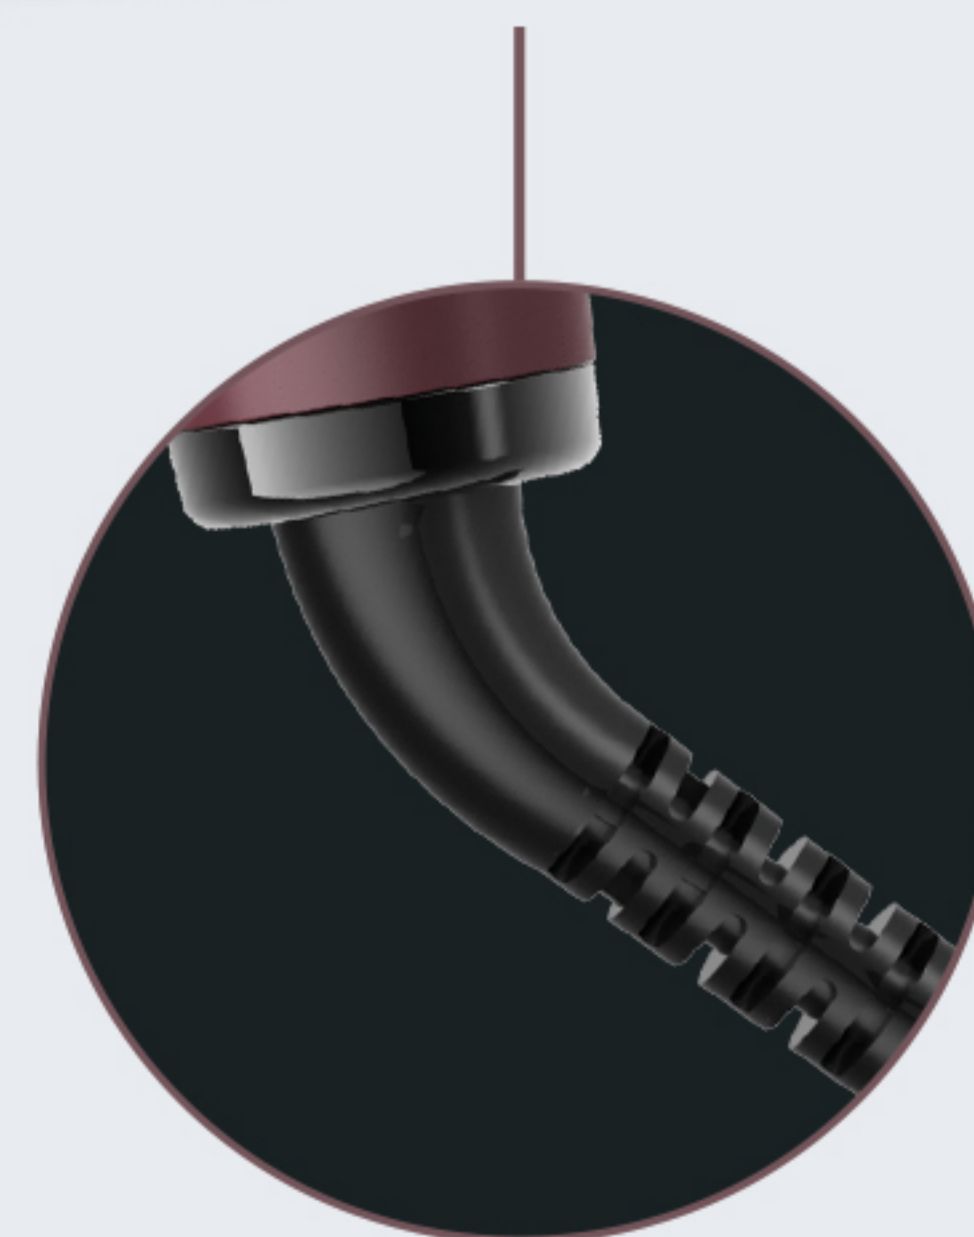

### Ceramic coating barrel

Less Heat Damage: As the ceramic plates glide seamlessly over your hair, it reduces tugging and pulling along with the potential for causing less heat damage than its metallic counterparts.

### Quadruple IONic outlets (20 million ion)

Special technology with tourmaline ceramic coating: Release millions of ions for a smooth, silky and shinier hair.

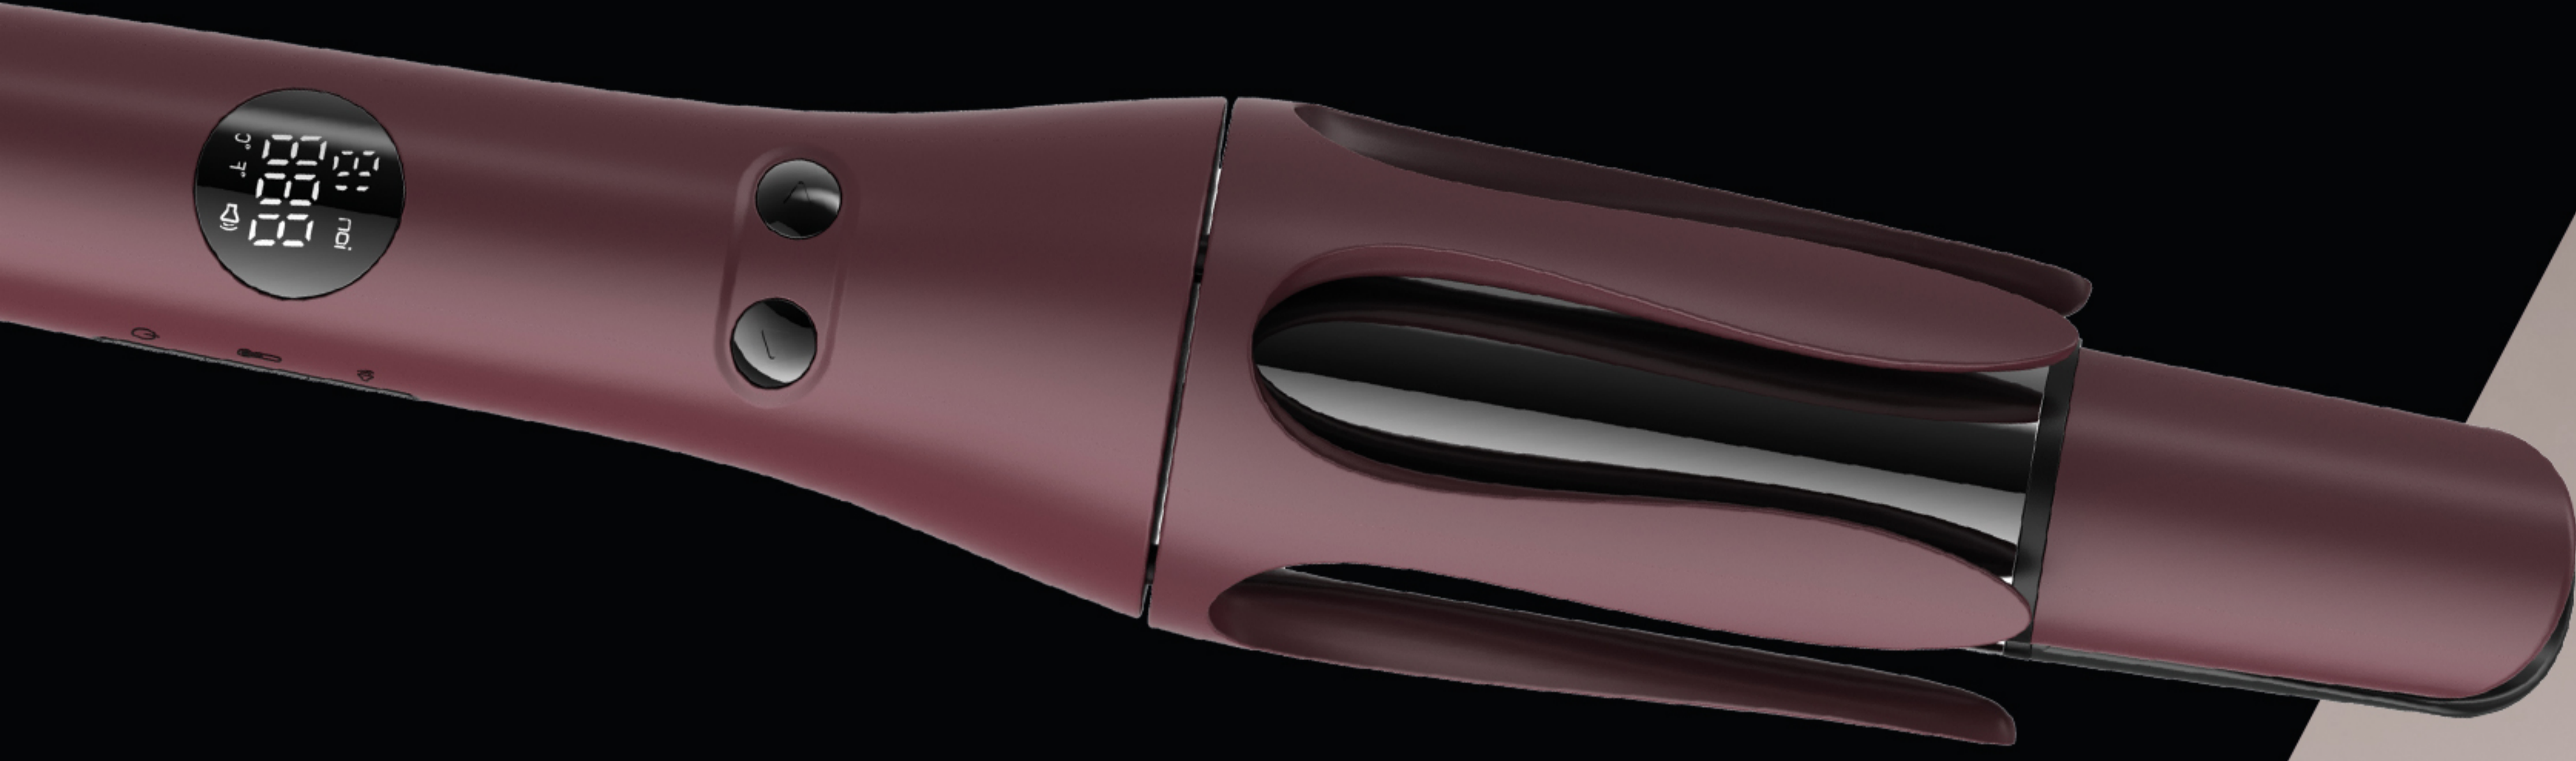

### 360° swivel cable

2.2 m long cable for more convenient usage.
