Choose Tesla Triple Barrel Deep Waver

 100W  120°C-200°C  LED

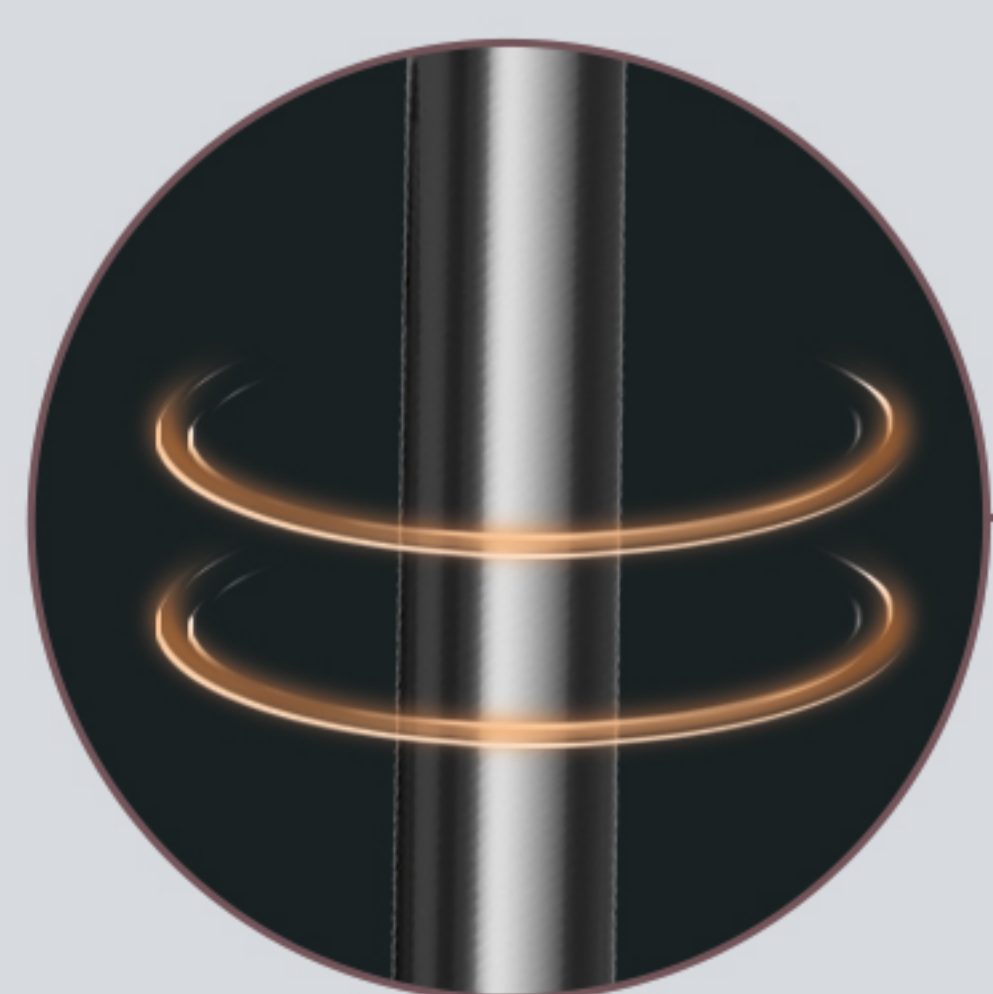

LCD Temperature Display

LCD Temperature display alongside temperature control button makes it easier to set up and lock digital heat for defined styling of all hair types.

Smart timer

With the specially engineered 10 genius beeper, this triple ceramic curler beeps in about 8 seconds after you clamp hair and start styling, preventing hair-burn or insufficient styling.

Quadruple MCH heater

MCH heater is the abbreviation of metal ceramic heaters that can instantly heat up to 200°C.

360° swivel cable

Easier usage with flexible cable and close-in lock switch.
