## GENERAL

|                                 |                                                                  |
|---------------------------------|------------------------------------------------------------------|
| Screen Size                     | 75" (189cm)                                                      |
| Display Type                    | DLED, 10bit, VA                                                  |
| Screen Resolution               | 3840x2160                                                        |
| Tuner Type                      | DVB-T/T2/C/S/S2                                                  |
| DVB-T2 Codec                    | H264, H265                                                       |
| Smart OS                        | GOOGLE TV                                                        |
| Pre-installed APPs for Smart TV | Gogle Play, Netflix, Prime video, YouTube, Media player...       |
| Suported apps                   | Deezer, Spotify, YouTube kids, VLC player, KODI, Disney+, MAX... |
| RAM/Storage                     | 2 GB / 16 GB                                                     |
| CPU                             | ARM cortex - quad core A55 @ 1500MHz                             |
| GPU                             | Mali G52                                                         |

## DISPLAY

|                     |           |
|---------------------|-----------|
| Native Refresh Rate | 60Hz      |
| Brightness (cd/m²)  | 300       |
| Dynamic Contrast    | 5000:1    |
| Viewing Angle (H/V) | 170°/170° |
| Response Time       | 6.5 ms    |

## FEATURES

|                    |     |
|--------------------|-----|
| HW Control Buttons | YES |
| Time Shift         | YES |
| PVR                | NO  |
| Multilanguage OSD  | YES |
| Sleep Timer        | YES |
| HDMI CEC           | YES |
| HDMI ARC           | YES |
| LCN                | YES |
| HBBTV              | YES |
| Google assistant   | YES |
| Bluetooth remote   | YES |
| Voice control      | YES |
| Google Cast        | YES |
| Hotel mode         | NO  |
| NTFS USB support   | YES |

## PICTURE

|                            |     |
|----------------------------|-----|
| Predefined picture modes   | YES |
| User picture mode          | YES |
| Energy saving picture mode | YES |
| Picture Size adjustments   | YES |
| Noise Reduction (DNR)      | YES |
| MPEG NR                    | YES |
| Local contrast control     | YES |
| Game mode                  | YES |
| PC mode                    | YES |
| HDR                        | YES |
| HLG                        | YES |
| Dolby Vision               | YES |

## AUDIO

|                        |                    |
|------------------------|--------------------|
| Audio Power            | 2X12W box speakers |
| Predefined sound modes | YES                |
| User sound mode        | YES                |
| Balance                | YES                |
| Equalizer              | YES                |
| Dolby Processing       | YES                |
| DTS studio sound       | NO                 |
| Dolby Atmos            | YES                |

## CONNECTIVITY

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| RF Input                   | YES                                                           |
| LNB Input                  | YES                                                           |
| Component AV Input         | NO                                                            |
| Composite AV Input         | YES                                                           |
| PC Audio                   | NO                                                            |
| VGA Input                  | NO                                                            |
| SCART                      | NO                                                            |
| HDMI 2.0                   | 3                                                             |
| CI+                        | YES                                                           |
| USB 2.0                    | 2                                                             |
| Headphone                  | YES                                                           |
| Digital Audio Output SPDIF | YES (Optical)                                                 |
| LAN                        | YES                                                           |
| WIFI Built In              | YES, 2.4Ghz/5Ghz                                              |
| Bluetooth                  | Yes/Version 5.1<br>(Headphones, Speakers support, gamepad...) |

## POWER

|                            |                   |
|----------------------------|-------------------|
| Power Supply (Voltage, Hz) | 100-240V, 50/60Hz |
| Power Consumption          | 180W (MAX)        |
| Standby Power              | <0.5w             |

## ACCESSORIES

|                                |     |
|--------------------------------|-----|
| User Manual with Warranty Info | YES |
| Remote Controller              | YES |
| Remote Controller Batteries    | YES |

## SIZE & WEIGHT

|                                |                  |
|--------------------------------|------------------|
| Product Size (WxHxD) w/ stand  | 1667x990x320 mm  |
| Product Size (WxHxD) w/o stand | 1667x955x89 mm   |
| Stand size                     | TBD              |
| Package Size (WxHxD)           | 1868x1130x173 mm |
| Product Net Weight With Stand  | 17,5 kg          |
| Gross weight                   | 25,3 kg          |
| VESA                           | TBD              |
